

Kaleidoscope Abelia

Size at Maturity

- ❑ 3ft. High and 3ft. wide

Flower

- ❑ Dainty white tubular flowers emerge from pink buds in summer.

Special Interest

- ❑ Spring foliage shows bright yellow variegation against chartreuse, with a deeper green in summer.
- ❑ Leaves adorn brilliant red stems. Autumn brings hot orange flashes and smoldering red highlights.
- ❑ Low mounding shrub & excellent ground-cover plant.
